Description

Lake Beseck Environment Committee Meeting

Wednesday April 28, 2021

7:00 PM

ZOOM meeting

AGENDA

1. Call to Order
2. Members Present
3. Approval of Minutes
4. Public Comment—Lisa McCabe is attending as guest
5. Presentation by Larry Marsicano of AER on the results of the 2020 Water Quality Monitoring Report.
6. Discussion: The "Lake Beseck Friends of the Lake" Facebook site is potentially a good platform for messaging. A possibility is to engage AER to prepare Facebook compatible educational posts. The posts would have simple messaging with links to more in depth technical details. The messaging is to be consistent with our other platforms. Examples of possible topics: the Lake Smart Program, water quality trends at Beseck Lake, cyanobacteria, hydrilla, etc.
7. Discussion: LakeSmart Program follow up in conjunction with the plant sale.
8. Discussion: Suggestions for spring and summer educational outreach.
8. Update: Beseck Boat Launch Monitors and the search for candidates. The next class offered by DEEP is on May 22nd.
9. Update: The boat speed limit sign is up at boat ramp. The sign addition is on order.
8. Selectman Report
9. Misc.
10. Adjourn
