## Old Business

Trail Cameras. Steven Wolk presented the information that he had obtained about trail cameras.

Trees on Trolley Trail have been marked for removal. That should happen soon.

There was a discussion of the haying operation on Cherry Hill Rd and the Birding for Pleasure group. It was felt that delaying the start of haying until July 15 was a very bad idea and that the farmer leasing the property deserved out support.

## New Business

Jerry Finch stated that he had asked Sarah Powers about the possibility of using the small pond on the corner of Miller Rd. and Pond Meadow Place for fishing. He was hoping it could be developed into a site for a youth fishing derby.

Next meeting date: August 22, 2022

Adjournment at 7:28 by acclimation

Future meetings for this year are to be held: August 22, September 26, October 24, November 28 and December 27.

Respectfully Submitted,

*Robin Heath*
