Solid Waste Permits for Private Haulers Collecting in Durham and Middlefield

To Whom It May Concern:

All solid waste permits issued by the municipalities of Durham and Middlefield expire on June 30, 2018.

Solid waste and recyclable haulers wanting to collect in Durham or Middlefield are required to obtain municipal permits prior to being assigned an identification number by MIRA the destination point for all MSW collected in Durham/Middlefield.

Mailed municipal permit applications or applications delivered in person must be received by March 31 by DMIAAB

- Per vehicle permit fees will be \$100 for each vehicle collecting waste in Durham/Middlefield
- Copy of current vehicle registration
- Valid Certificate of Insurance for each vehicle

Early submittal of applications is appreciated. If you have any questions, please do not hesitate to contact DMIAAB.
