Vacation-Patrol Checks: We encourage any residents going away on vacation to call the office or stop by and complete a patrol check sheet. We will conduct patrol checks of your residence while you're away on vacation. Furthermore, we want to encourage all residents to call us with any suspicious activity regarding suspicious persons or vehicles in their neighborhood. Please try to obtain as much information as possible.

Drug Take Back: National Drug Back Day is generally held on the last Saturday in April and October. The DEA's Take Back Day events provide an opportunity for Americans to prevent drug addiction and overdose deaths, since a majority of abused prescription drugs were obtained from family and friends, often from the home medicine cabinet. Expired, and no longer used prescription and non-prescription drugs are accepted for proper disposal. The collection is held at the Middlefield Community Center.
