PLACE: Middlefield Community Center Meeting Room

405 Main Street, Middlefield, CT

Present were regular members Jim Brown, Irene Angiletta, Linda Li, Rob Poturnicki, John Manning, Rebecca Adams, and Randy Bernotas, WEO.

Others in attendance

Eric Davison, Wetlands Biologist and Soil Scientist representing IWWC

Brian Curtis, Engineer, Nathan Jacobson representing IWWC

George Logan – REMA Ecological Services Wetlands Biologist and Soil Scientist for AMI Sports

Richard Mihok Engineer representing AMI sports

Joeseph Samolis – Director of Planning, Conservation and Development, Town of Middletown

Marianne Corona – CACIWC

Rebecca Adams Rieder called the meeting to order at 9:00.

Brian Curtis, Eric Davison, George Logan, and Richard Mihok reviewed the most current AMI sports site plan and the photos in preparation for the site visit.

Review was concluded and travel to the site commenced at 9:37

The site visit was conducted, all listed above participated.

All IWWC members listed above and Eric Davison, Brian Curtis and George Logan returned to the community center at 11:33 am. The commission discussed the unpermitted regulated activities on the property, including the activity in the wetland which obscured/removed some of the wetland flagging, and the removal of Mr. Mihok's staking of the proposed building.

Eric Davison will prepare a post site visit report. The IWWC consultants and the applicant's consultants will discuss further information needed.

Rebecca Rieder will consult with the IWWC's attorney regarding possible next steps for the IWWC.

The meeting was adjourned at 11:55am.
